

Dear Friends,

I am proud to offer my strong endorsement of my friend State Senator Tracy Pennycuick for reelection in the PA 29th District.

Since her election in 2022, Senator Pennycuick has been a proven leader for Berks and Montgomery counties, fighting to create jobs, supporting our veterans and law enforcement, improving education, and reining in government spending. As Chair of the Communications and Technology Committee and a 26-year U.S. Army veteran, she brings both experience and integrity to public service.

Tracy Pennycuick has dedicated her life to serving others, and I am grateful for her leadership in Harrisburg and appreciate her friendship. I strongly encourage you to join me in supporting Senator Tracy Pennycuick for her reelection this year.

Sincerely,
